“The Church exists by missions just as fire exists by burning.”

### Dear Pastors & Church Leaders,

I'm excited to invite you to our 2006 Pastors & Church leaders conference and outreaches which will hold in Tombel & Kumba in January.

For over twenty years of involvement in ministry, I have noticed quite a number of trends. Trends come and go. The messages of Jesus remains the same:

“For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life. For God did not send His Son into the world to condemn the world, but that the world through Him might be saved.”

If God so loved the world ... then we ought to, too. But how? If we are to make real impact in our generation as leaders we must understand the times we live in. The future presents itself to us in surprising ways.

A man was entering a store and noticed a sign on the door: Danger! Beware of Dog! Inside was a harmless hound asleep on the threshold. “Is that the dog we’re supposed to beware of?” He asked.

“Yes,” said the proprietor.

“Well, he doesn’t look dangerous to me,” said the man. “Why the sign?”

Said the proprietor, “because, before I posted that sign, the people kept tripping over him.”

In many ways, our biggest dangers come not from getting bitten by the future but by tripping over it. While the church dreams of old wineskins, the future is arriving, and the world around us has undergone a radical transformation.

With this in mind, we have carefully and prayerfully chosen the theme of this conference, “The Church in Changing Times.” Like the sons of Issachar, we must “understand the times, and know what to do” (1 Chronicles 12:32). We are grateful to the Lord for the speakers he has blessed us with for this conference. They come from diverse background. They come with an array of knowledge and experience. They have come to bless us, and our nation.

So come! Prepared to be challenged. To be filled. To be changed. You will leave this conference different. You will leave as agents of change, equipped to reach a rapidly changing world. May God fulfill that which concerns you (Ps. 138:8).

For Christ & His Kingdom,

*Ernest Ehabe*

For more than a decade, Bread for Life as well as Sacred Flame Ministries have worked alongside the church, mobilizing leaders for strategic impact in the city and among unreached people group. Combining evangelism with social action. Both Ministries are faith base. They depend on God to meet the needs of each event. Offerings are usually not taken at our meetings. However, churches and individuals can give towards the cost of the event without pressure. Gifts may be sent to the coordinators for this event.

Please, do not to reduce your level of giving to your local church in order to support this effort.

In this week long outreach and conference, God has blessed us with some great leaders who will help us with strategies to do the work in the coming years. They will:

- Inspire your heart

- Involve your hands &
- Equip you for greater service and impact

“There is a lot of talk and concern about the plight of developing nations... Africa is no exception. Unfortunately, concerns alone won't bring a swift end to Africa's most intractable conflicts. The odds of any kind of rapid success are minuscule without authentic and altruistic leadership.” Ernest Ehabe
